"Helping individuals with disabilities be active in the community"

Eastern Shore LISS Application Sessions Now Available!

Maryland Community Connection will be hosting an Assistance Sessions for the Eastern Region. LISS can provide up to \$2000 to people with Developmental and Intellectual disabilities a variety of Resources and Support. Any questions that you may have regarding LISS will be answered by our staff. A presentation will be available to cover all services and documentation needed to qualify for the LISS program. You also have the opportunity to submit any LISS documents; all information will be the same during each session.
